

PUBLIC NOTICE

September 9, 2020

LETTER TO THE TDN CITIZENS

To all Tolowa Dee-ni' Nation citizens,

As many of you know, we are currently experiencing two very challenging emergency situations with the ongoing Covid-19 pandemic and the recent fires in our territory.

Tolowa Dee-ni' Nation Tribal Council would like citizens to know we are in consultation with our emergency management team. They will keep citizens updated on the current events on the Nation's official webpage (Tolowa-nsn.gov.) and our Facebook page, along with the appropriate local county websites.

Please shelter in place, unless told to evacuate, with doors and windows closed to protect from the smoke. Our governmental offices are currently closed but if Tribal Citizens are in need of further assistance, please call 707-487-9255 to be routed to the appropriate department.

Shu-Shaa nin-la,

Tolowa Dee-ni' Nation Tribal Council
